Resolve week 2: I Resolve to Get Through It

Text: John 16:33, Genesis 37, 39

**Truth: Comfort will kill you spiritually! God hasn't called us to feelings. He's called us to faith.**

**Three things you must do when you resolve to go through it:**

1) Recognize the potential of who you are.

Pitfalls:

*You can't compare your dream with someone else's dream.*

*Don't share your God-dream with the wrong people. You cannot share your 16x20 dream with someone who has a 3x5 view!*

The robe represents:

a. Favoritism b. Potential c. Inheritance

2) Reaffirm that God's favor is still with you.

*Circumstances change but God's favor doesn't change.*

3) Remember God's blessings.
