Freedom: There's An App For That

Text: Galatians 5:1

“Now the Lord is Spirit, and where the Spirit of the Lord is, there is freedom (liberty, emancipation from bondage).” 2 Corinthians 3:17-18 (AMP)

**Intro:** When we mention the word freedom, many of us experience a tremendous amount of pride and emotion. Simply stated, freedom is having allowance and the ability to choose.

In our country we have many freedoms that we are privileged to experience every day, but what about spiritual freedom? God has made spiritual freedom a right to every Christian and the power and authority that comes with that freedom. Through Jesus Christ our freedom has been paid for and won by His blood.

This freedom does not stop at salvation, rather it starts a spiritual journey of living in the freedom of the Spirit. Everything that he has done for us comes down to freedom, “It is for FREEDOM, that he has set us free.” Galatians 5:1

- 1) Freedom comes from the **Spirit**.
