Overcoming Your Goliath

Text: 1 Samuel 17

Life's Giants are always waiting in our promise land to try and defeat us from receiving the victory God has prepared for us. The good news for us to remember is, there is no giant that is too big for God to take down. God only needs a stone of faith and our remembrance that He is standing ready to deliver our giants into our hands. God says to us today: "Do not be afraid, do not be intimidated, and do not give up. I am on your side and you will be victorious!"

Keys to Overcoming Your Goliath:

1. Preparation
2. Declaration
3. Motivation
4. Extermination
