Presence Week 2: The Love Revolution

Text: Colossians 3:12-14

What is the Love Revolution?

It is allowing God's love to come into you and come out of you.

The reason love is so important is because *"People will always be attracted to and touched by what is **real**."*

Three things God calls us to be:

Surrendered, **filled**, and **poured out** (Luke 9:23).

What can I do?

- 1) Be **ready** (Gal. 6:10).
- 2) Find someone to **help** (Hebrews 10:24). (Stop, look, and listen.)
- 3) Refuse to do **nothing** (1 John 3:16-18).

Let's change our community, our nation, and our world one person at a time!
